

Eurofit Hardwares Pty Ltd ACN 106 455 369 trading as EUROFIT

7<sup>th</sup> Dec 2020

Dear Valued Customer,

**RE: NOTICE OF CHANGES TO TERMS AND CONDITIONS OF SUPPLY FOR EUROFIT**

---

At Eurofit Hardwares Pty Ltd ACN 106 455 369 trading as EUROFIT (**Eurofit**), we have been updating our terms of supply, policies and procedures.

The **enclosed** Terms and Conditions of Supply (**Terms**) will be effective from the date of this Notice. This will:

- 1) Vary all existing terms and conditions in your current Credit Application or other commercial agreement with Eurofit; and
- 2) Apply to all sales of goods by Eurofit.

Eurofit have specifically introduced these Terms to incorporate and update its *Personal Property Securities Act 2009 (PPSA)* provisions. It is Eurofit's policy to create security interests in any supply of goods to you in accordance with the PPSA and to lodge registrations on the Personal Property Securities Register (**PPSR**) in respect of those security interests. An example of a security interest is Eurofit retaining title in any goods sold to you until full payment has been received.

To continue our valued relationship, please complete and return the Customer Acknowledgment contained on page 2 of this Notice.

**If you do not complete the Customer Acknowledgment but you place an order after the date of this Notice, you will be deemed to have given your express consent to and acceptance of the updated Terms. Any orders placed with Eurofit after this date will be subject to the updated Terms, including the PPSA provisions and PPSR.**

If you do not agree with this form of consent, you will be required to complete a new Credit Application and / or Deed of Guarantee before your order can be processed.

If you have any questions on the changes please do not hesitate to contact your sales representative, who will be able to assist you with any queries.

We thank you for your ongoing support.

Yours faithfully,

Michael Chen  
Director

Eurofit Hardwares Pty Ltd ACN 106 455 369 trading as EUROFIT
