

Door format and door weight

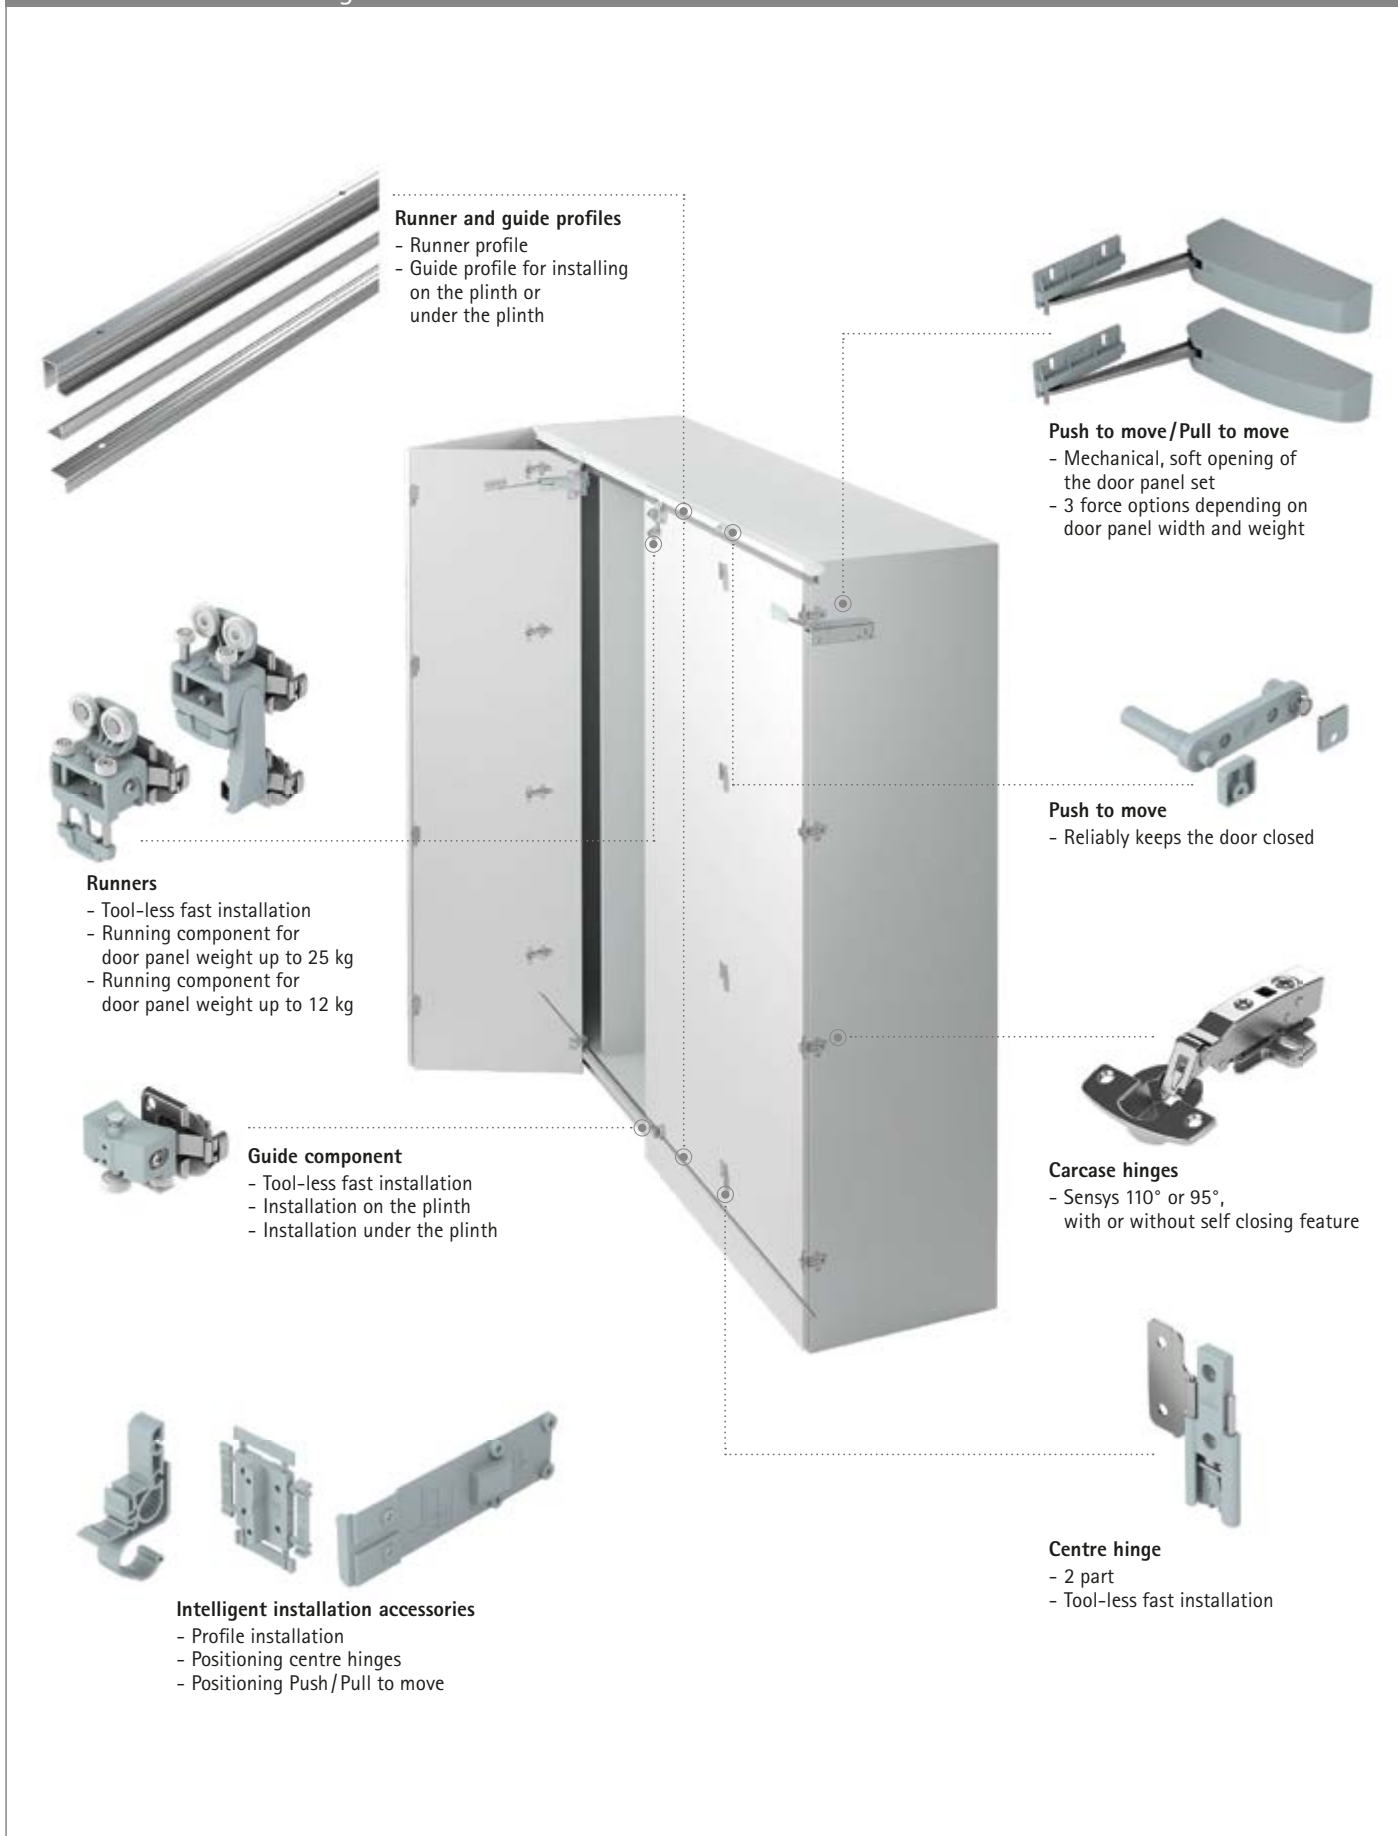

Door material

Recommended number of carcase and folding door hinges

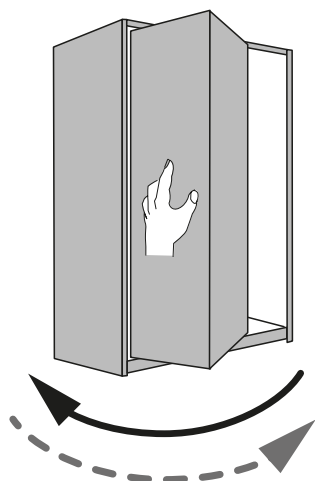

The new multifolder: WingLine L

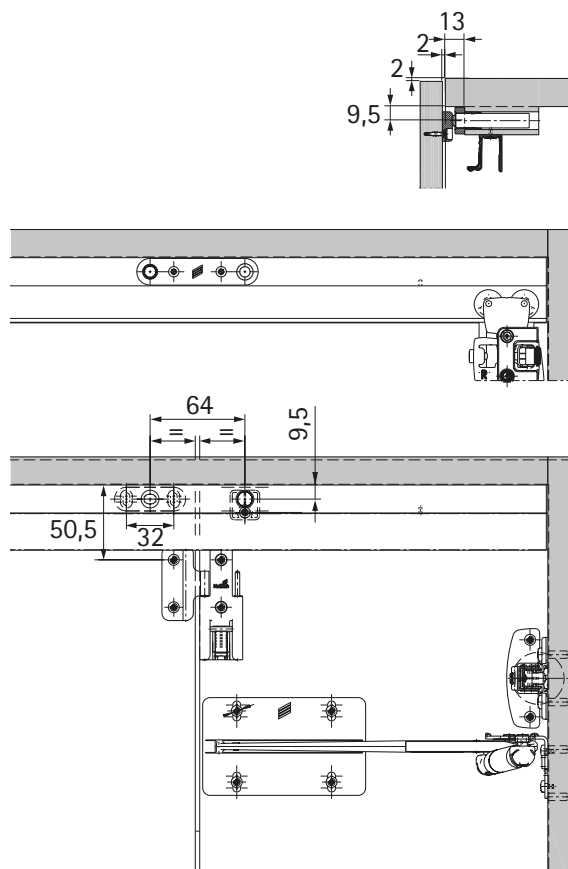

Folding door system

► WingLine L / **Push to Move**

Push to move

The door opens automatically in response to a light press on the front and is returned to the closed position by hand.

Capacity classes

For Push to move and Pull to move to work perfectly in conjunction with every door size and weight, the modules are available in various capacity classes. Choose the right set for your particular application. A trial mounting is recommended!
